

LACCEI 2013

11th
Latin American and Caribbean Conference
for Engineering and Technology

Innovation in Engineering, Technology and Education for Competitiveness and Prosperity

August 14 to 16, 2013
Cancun, Mexico

Call for Papers

The conference will accept manuscripts in English, Spanish, and Portuguese.

There will be three different types of submissions:

Full Paper: It is a full length, peer reviewed paper to be presented in the conference and published in the conference proceedings.

Extended Abstract: It is a two-page manuscript to be presented in the conference and published in the conference memories.

Students Paper: It is a full length, peer reviewed paper to be presented in the conference for student competition and published in the proceedings. A student must be the leading author.

Please see the submission page for instructions and templates.

Organized by:

The Latin American and Caribbean Consortium of Engineering Institutions

Sponsored by:

Universidad Quintana Roo

Instituto Tecnológico de Monterrey

www.laccei.org

Conference topics included but are not limited to:

Engineering Education

- > Accreditation
- > Curriculum improvement
- > E-Learning and distance education
- > Enhancing undergraduate education
- > Joint degree and certificate programs
- > Outreach programs
- > Technology for teaching and learning
- > University management
- > internships

Engineering Research and Technology

- > Biotechnology
- > Construction engineering
- > Energy
- > Engineering design
- > Engineering innovation
- > Engineering infrastructure
- > Engineering materials
- > Sustainable engineering
- > Industrial engineering
- > Logistics
- > Information technology
- > Production engineering
- > Technology and society
- > Telecommunications
- > Product life management
- > Manufacturing engineering
- > Technology management
- > Computational tools for engineering
- > Nanotechnology
- > Bioinformatics

Engineering Practice

- > Construction management
- > Engineering entrepreneurship
- > Engineering for the Americas
- > Internationalization & Globalization of engineering
- > Production management
- > Project management

Important dates

- > **Submission of papers:** April 8, 2013
- > **Notification of acceptance:** May 3, 2013
- > **Submission of final papers:** May 17, 2013
