

## Excellence in Engineering To Enhance a Country's Productivity

July 22 to 24, 2014  
Guayaquil, Ecuador

### Call for Papers

The conference will accept manuscripts in English, Spanish, and Portuguese.

There will be three different types of submissions:

**Full Paper:** It is a full length, peer reviewed paper to be presented in the conference and published in the conference proceedings.

**Extended Abstract:** It is a two-page manuscript to be presented in the conference and published in the conference memories.

**Students Paper:** It is a full length, peer reviewed paper to be presented in the conference for student competition and published in the proceedings. A student must be the leading author.

Organized by:  
The Latin American and Caribbean Consortium of Engineering Institutions

Hosted by:  
Escuela Superior Politécnica del Litoral  
ESPOL

# 12th Latin American and Caribbean Conference for Engineering and Technology

Conference topics include but are not limited to:

## Engineering Education

- > Accreditation
- > Curriculum improvement
- > E-Learning and distance education
- > Enhancing undergraduate education
- > Joint degree and certificate programs
- > Outreach programs
- > Technology for teaching and learning
- > University management

## Engineering Practice

- > Construction management
- > Engineering entrepreneurship
- > Engineering for the Americas
- > Internationalization & Globalization of engineering
- > Production management
- > Project management
- > Systems management
- > Logistics
- > Testing
- > Development engineering
- > Service engineering

## Engineering Research and Technology

- > Biotechnology
- > Construction engineering
- > Energy
- > Engineering design
- > Engineering innovation
- > Engineering infrastructure
- > Engineering materials
- > Sustainable engineering
- > Industrial engineering
- > Logistics
- > Information technology
- > Production engineering
- > Technology and society
- > Telecommunications
- > Product life management
- > Manufacturing engineering
- > Technology management
- > Computational tools for engineering
- > Nanotechnology
- > Bioinformatics

## Important dates

### *Full and Students Papers*

- > **Submission papers:** March 3, 2014
- > **Notification of acceptance:** May 2, 2014
- > **Submission of final papers:** May 7, 2014

### *Extended Abstracts*

- > **Submission extended abstracts:** May 3, 2014
- > **Notification of acceptance:** May 24, 2014
- > **Submission of final extended abstracts:** May 31, 2014
