[Travel information](#)

Organized by:

Latin American and Caribbean Consortium of Engineering Institutions (LACCEI)

Hosted by:

Universidad Tecnológica de Panama

Conference topics include but are not limited to:

Engineering Education:

Accreditation
Curriculum Improvement
E-learning and distance education
Engineering Entrepreneurship
Enhancing Undergraduate Education
Joint Degree and Certificate Progras
Outreach Programs
Technology for teaching and Learning
University Management
Internships

Engineering Technology:

Biotechnology
Construction Engineering
Energy
Engineering Design
Engineering Infrastructure
Engineering Innovation
Engineering Materials
Sustainable Engineering
Industrial Engineering
Information Technology
Production Engineering
Technology and Society
Telecommunications
Product life management
Logistics
Manufacturing Engineering
Technology Management
Computational tools for Engineering

Engineering Practice:

Construction Management
Engineering entrepreneurship
Engineering for the Americas

Internationalization and Globalization of Engineering
Production Management
Project Management
