The LACCEI 2020 virtual platform, similar to face-to-face conferences, has spaces for the interaction of sponsors with attendees.

There will be a large room for commercial spaces and demonstrations.

According to your sponsorship, you can access to:

- Registrations to the Conference
- Virtual exhibition stand
- Possibility of offering a workshop at the conference
- Up to three (3) information broadcasts directed to the LACCEI database.
- Posting of a video of the company or product in the web page
- Delivery of brochures and digital gifts to attendees
- Technical information of products or services
- Banners
- Traceability of people who entered your page
- Live virtual meetings via zoom with interested attendees
- Full page in the mobile version (Whova)
- Place your website in our conference web page
