OAS SUMMIT OF ENGINEERING FOR THE AMERICAS

LACCEI 2019
International Multi-Conference for Engineering, Education, and Technology

Industry, Innovation and Infrastructure for Sustainable Cities and Communities

Montego Bay, Jamaica
July 2019
The Latin American and Caribbean Consortium of Engineering Institutions (LACCEI) is a non-profit consortium of universities that offer degrees in engineering, computing or technology and aspire to collaborate academically or in research with universities in Latin America and the Caribbean.

LACCEI has been designated as the Center of Excellence for Engineering for the Americas (EftA) by the Organization of American States (OAS).

Conference proceedings are published with ISBN, ISSN and DOI, with SCOPUS and other indexing and are available free online. It includes refereed papers, invited papers, works-in-progress and student competition papers.

Our Partner Organizations
LACCEI holds an annual conference that hosts in parallel the OAS Summit of Engineering for the Americas (EftA) and other events. The Annual Conference attracts approximately 600 participants from 30 countries, it is multi-lingual, accepting papers in English, Spanish, Portuguese and French. All keynote speakers and the OAS EftA Summit have simultaneous translation.

Sponsorship of the LACCEI Multi-Conference and of the OAS EftA Summit provides your corporation with a unique opportunity to promote and raise brand awareness, and strengthen customer loyalty in an audience of international engineering educators, administrators, students, NGO executives, renowned government and corporate leaders. Geographic Diversification of your sales revenue and reach an audience that has global reach.
