NEW LACCEI ASSOCIATE VP OF STUDENT CHAPTERS

Dr. Libis Valdez Cervantes, Dean of the Faculty of Engineering Sciences at UNITECNAR, has been selected Associate Vice President of Student Chapters of LACCEI.

By participating in a Chapter, students join an international family made up of peers, academics and professionals belonging to the institutions of the consortium who can accompany them throughout their career.

Participating in the activities of the Chapter will allow its members to become familiar with an organization whose operation will be similar to those they will interact as professionals, as well as to develop their leadership skills.
