About LACCEI Multiconference

The Latin American and Caribbean Consortium of Engineering Institutions, LACCEI, is a non-profit entity, whose main objective is to facilitate and promote global collaborations in the advancement and continuous improvement of education, practice, research and innovation in engineering and technology, linking Latin America and the Caribbean with the rest of the world.

Annually, LACCEI brings together more than 1000 participants in its International Multiconference on Engineering, Technology and Education, which since 2006 has been designated as *the OAS Summit of Engineering for the Americas*.

The LACCEI conference accepts papers written in English, Spanish, Portuguese, and French. Full articles undergo double-blind review and, if accepted and submitted, are published with DOI and processed for evaluation by Scopus and other indices. All accepted and submitted papers are published with ISSN, ISBN and DOI.
