The OAS Summit of Engineering for the Americas

## ABOUT LACCEI MULTICONFERENCE

**The Latin American and Caribbean Consortium of Engineering Institutions, LACCEI, is a non-profit organization comprising higher education institutions offering engineering, computing, technology, or education programs. It promotes global collaboration for the continued advancement of engineering, technology, education, research, practice, and innovation, connecting Latin America and the Caribbean with the rest of the world.**

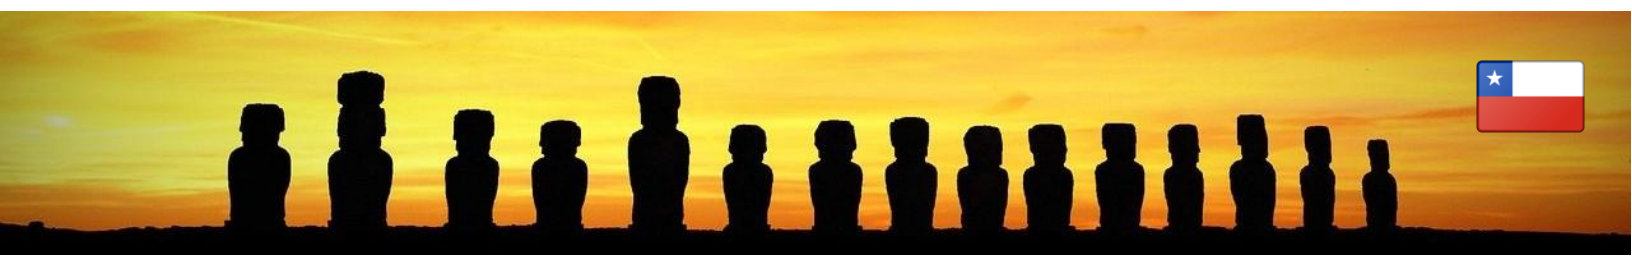

**The International Multi-Conference on Engineering, Technology, and Education, held annually, is attended by more than 1,200 participants from 30 countries on four continents.**

**LACCEI was selected by the OAS in 2005 to be part of the Engineering for the Americas (EftA) action plan to advance the accreditation and quality assurance of engineering programs in the Americas.**

### **Conference Manager:**

**Dr. María Larrondo Petrie – Dr. Cuauhtémoc Godoy**
